EASTMAN CREDIT UNION Support Center—First Floor

The newly constructed (June 2019) project will initially house 140 employees and eventually accommodate more than 200 staff members. The new Wilcox Drive facility, located on a corridor gateway for Kingsport, will house ECU's training and development department, several member support departments and ECU Title and Escrow. The only member-facing function at this location will be mortgage loan closings at ECU Title and Escrow's offices located on the first floor. The staff at the Support Center will provide back-office services for ECU members locally and across the United States
